Dear Mr. President:

Earlier this year, we established a screening committee to review candidates for the position of U.S. Attorney for the Northern District of Illinois. Our screening committee carefully evaluated candidates by reviewing their professional records and application questionnaires, contacting references, and conducting interviews. The committee has submitted recommendations to us, and we have interviewed the finalists, reviewed their records, and consulted with each other regarding their qualifications. As a result of this process, we submit the following individuals for your consideration, in alphabetical order:

Sergio Acosta
April Perry

We appreciate the opportunity to provide assistance and input in filling this important position, and we look forward to working with you to ensure a fair and swift confirmation process after you submit a nomination to the Senate.

Sincerely,

Richard J. Durbin
United States Senator

Tammy Duckworth
