Dear Mr. President:

Earlier this year, we established a screening committee to review candidates for federal district court judgeships in the Northern District of Illinois (NDIL). Our NDIL screening committee, comprised of 11 distinguished members of Illinois's legal community, has carefully evaluated candidates by reviewing their professional records and application questionnaires, contacting references, and conducting interviews. The screening committee then submitted its findings and recommendations to us.

We have interviewed the finalists, reviewed their records, and consulted with each other regarding their qualifications. We now submit the following candidates for your consideration for current and future vacancies on the U.S. District Court for the Northern District of Illinois, in alphabetical order:

Georgia Alexakis
Karyn L. Bass Ehler
Sunil Harjani
Heather McShain
Amol Parikh
Grayson Sang Walker

We appreciate the opportunity to provide assistance and input in filling these vacancies, and we look forward to working with you to ensure a fair and swift confirmation process after you submit nominations to the Senate.

Sincerely,

Richard J. Durbin
United States Senator

Tammy Duckworth
